Re: Annual 47 C.F.R. § 64.2009(e) CPNI Certification;
Globecomm Systems Inc.; Form 499
Filer ID 824200

Dear Ms. Dortch:

Globecomm Systems Inc. ("GSI"), by counsel, provides the following CPNI Certification pursuant to 47 C.F.R. § 64.2009(e). Although GSI still does not believe it is required to file such a CPNI Certification, as set forth in its letter in response to the Enforcement Bureau's letter in File No. EB-08-TC-2279, dated September 15, 2008, that matter is still pending and so out of an abundance of caution and in a good faith attempt to comply with all Commission rules and regulations, GSI hereby submits the attached CPNI Certification.

As set forth in the CPNI Certification, GSI has adopted a CPNI Protection Policy and is in compliance with the CPNI rules. Accordingly, GSI submits the CPNI Certification. If you have any further questions, please feel free to contact the undersigned.

Respectfully submitted,

Michelle A. McClure
Counsel to Globecomm Systems, Inc.

Annual 47 C.F.R. § 64.2009(e) CPNI Certification

EB Docket 06-36

Attachment 1: Statement Concerning Company Procedures

Globecomm Systems Inc. ("GSI") does not routinely collect customer proprietary information ("CPNI") but any CPNI it may possess is protected by utilizing the following procedures:

- 1. GSI conducts annual ethics training for all employees. This includes training on proper protection of customer proprietary information. All employees sign a Non Disclosure Agreement upon being hired and the annual training includes reminders of their legal obligations under those NDAs.**
- 2. Any CPNI is to be stored in protected areas and provided only to those with a need to know. To ensure that any CPNI is not accidentally disclosed, CPNI is to be destroyed as soon as it is no longer required for Globecomm to provide service to the customer.**
- 3. GSI will not use CPNI for any purpose other than to provide services to the customer. We will not sell or transfer CPNI to any third party.**
- 4. Customers are to have access to its own CPNI only through a secure web portal that requires a username and password access. Usernames and passwords are only provided to customers who have been authenticated through Contracts or Program Management.**
- 5. GSI's policy is to provide immediate notification to a customer by email if we believe any of the customer's proprietary information has been compromised. Any report from a customer who believes its proprietary information has been compromised is immediately forwarded to the General Counsel's office for investigation.**
